About The Group

The Performance Group was established 25 years ago to provide an opportunity for spirited and passionate dancers to perform in various events throughout the school year. These performances are largely community-based and charity-based events. The Performance Group and Company are also presented with several professional performance opportunities as their age and levels progress. Our mission is to share our passion of dance with others. The Performance Group is **currently a closed group**. Admission to the Performance Group will be based on openings should they become available. Priority will be given to siblings first, then any remaining spots will be selected based on the most qualified applicants, noting repeat applicants also. See eligibility below:

Eligibility

In order **to be considered** for the 2017-2018 school year, a dancer must:

- 1) Have at least **2 full years** of dance experience in various styles (with the exception of the 6-7 P-Group, which needs one complete year of dance)
- 2) Have taken multiple classes weekly the previous year and completed the recital (Age 6-7 must have completed a single class and recital)

- 3) Must participate in at least 4 summer intensives for the current upcoming school year (Age 5-7 must have 2 minimum)
- 4) Must be within the technical range of ability within their current age Performance Group (to be determined by Emily and Fancy Feet Staff)
- 5) If you are applying and are accepted for the Teen Group as either a new or former P-Group student, you may not have the same graduating senior recognition as those who have been in the group throughout all of high school.

If the above criteria are met, and if there are openings, you may be:

Asked to come in for an interview with Emily Kay Tillman between June 26-July 10th.
Asked to review and carefully select appropriate technical classes for the 2017-2018 dance year.

Admittance will be at the discretion of Emily Kay Tillman.

In the interview, we will discuss your dance experience, your reason for wanting to participate, and your personal eligibility and progress. We will also discuss the requirements of the Performance Group, and your current technical development and class placement.

Selected dancers will be notified by July 10th in order to register for your summer intensives, and your fall 2017-2018 class selections will be recommended and selected together for the next year of dance.
