

Fancy Feet Dance Studio

Company 2018-2019

By Invitation Only

Company provides an opportunity for skilled and technically proficient dancers who are already in the Performance Group to take their commitment to the next level. When a cross section of the teaching staff notices that a student has chosen to make dance their main focus, then an invitation to Fancy Feet's Company is presented. Company dancers are motivated to intensify their dance experience for personal growth and challenge. While the training and exposure Fancy Feet's Company provides can prepare dancers for opportunities in the professional world of dance, the broader benefits are life lessons in discipline and excellence that can be carried forward in all aspects of their adult lives.

Company dancers will be required to take a minimum of six (6) technical classes to ensure their constant progress and development. We recommend a mix of ballet, modern, lyrical, contemporary and classical jazz which are key to achieving each dancer's full potential. We recommend these classes as your first priority and will guide you if you wish to add more classes to your schedule beyond your core classes. We are willing and able to help you select the best schedule for your growth based on our extensive experience.

Company dancers will have additional performances on the schedule. They will attend two conventions and the two older Company dancers will compete in one. They will have weekly guest teachers, and occasional monthly Master Classes. If professional job opportunities are presented, Company dancers will be considered by Emily first.

This year, within Company class, dancers will be given the opportunity to have a variety of Guest Master Class Faculty with top dance and entertainment industry professionals, (some new and some returning)~ and they will also work with revolving Fancy Feet staff members to strengthen technique.
